MULTIPLE DOMAINS. SINGLE-MINDED COMMITMENT.

Brigade is one of India's leading developers with over three decades of expertise in building positive experiences for all our stakeholders. We have transformed the city skylines of Bangalore, Mysore, Hyderabad, Chennai, Mangalore, Chikmagalur and Kochi with developments across residential, offices, retail, hospitality and education sectors.

Our residential portfolio includes penthouses, villas, premium residences, luxury apartments, value homes, retirement homes and award-winning fully integrated lifestyle enclaves across a wide budget range. We are among the few developers who have built a reputation of developing well-planned Grade A commercial properties.

Since our inception in 1986, we have completed nearly 200 buildings amounting to over 2,78,000 sq.m. (30 million sq.ft.) across residential, offices, retail and hospitality sectors. Over the next five years, we will be developing over 2,78,000 sq.m. (30 million sq.ft.) across seven cities.

We take pride in not just being a developer of quality spaces, but an employer of highest standards. In addition to our numerous awards for our projects, we have been consistently recognised, for being amongst the best employers in the real estate and construction sector in the country, for the past 7 years by the Great Places to Work Institute.

MASTER PLAN

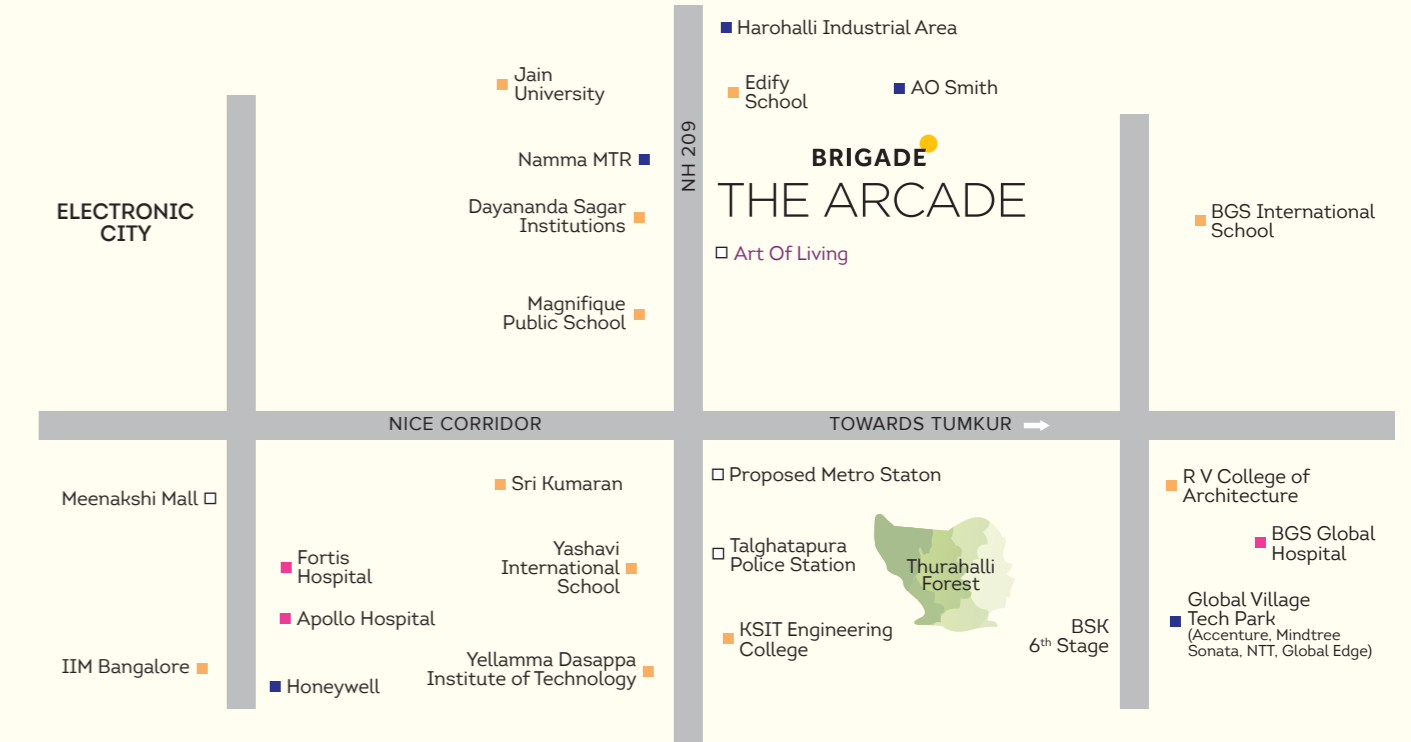

THE ARCADE ADVANTAGE

The Arcade boasts of a structure which is inspired from a clock tower, one that emphasizes a landmark. The Central Atrium is aesthetically designed to give The Arcade a sense of openness allowing natural light to illuminate the entire space and to increase the visual appeal of the entire space.

The Arcade is designed to be a retail destination for surrounding areas, creating a dynamic and stimulating retail environment. The elevation faces the main Kanakapura highway and therefore has the advantage of becoming a retail hotspot for residents in and around the catchment.
